PIMIL Increased Sponsorship of Ebola Orphans

PIMIL increased support of Ebola orphans by four in the 2017/2018 academic year from last year, thus bringing the total support to 69. Additional support of Ebola orphans is anticipated yearly as PIMIL is informed. PIMIL'S goal is to support 100 Ebola orphans as funds are available. The total number of students supported in this year is 148 with funds amounting to \$16, 525 transmitted as scholarship assistance for the first semester in September. Included in the sponsorship are eight new students, ranging from the Kindergarten to the eleventh grade. Our grateful thanks to our sponsors that number over 50, and, extending throughout the United States. In the academic year of 2016/2017, PIMIL'S sponsoring students graduating from Kindergarten to twelfth and beyond, numbered four.
